

An aerial photograph of a road intersection. A wide road, labeled 'Kazimierza Sosnkowskiego' in two locations, runs horizontally across the middle. A diagonal road crosses it from the bottom-left towards the top-right. Several areas are highlighted with orange lines: a long strip along the horizontal road, a triangular area at the intersection, and a rectangular area on the diagonal road. Green lines outline various plots of land, including a large green field on the left, a tennis court at the bottom, and several building footprints. Blue numbers (12677, 127, 128, 11) are visible on the map.
